

EZ-CHANGE ART FILE REQUIREMENTS

We accept the following file formats: PDF, JPEG, TIFF, EPS

Artwork must be minimum 100dpi at full size

Files larger than 100mb: Create image 50% of actual size at 300dpi (we scale it up)

Be sure to convert all text to "curves" or "outlines"

We recommend keeping images and text within the **SAFE ZONE** for best results

TRIM SIZE:
Size of entire
vinyl graphic.

SAFE ZONE:
6" inside of the
Trim Size
allowing safe
clearance for
images and text.
